This is for your travel preparer, and let them know that you will need a full size SUV when you get to the airport.

Thank you Mr. Towle ☺

Philip Werner is your POC for travel arrangements. Philip, per our chat, would you please send Mike the cross-funding code information so that we can fund his travel. Philip can you also help them identify a hotel in Silverton for lodging? (I can't recall where Steve is staying but I think it's the Grand Imperial). Mike you can fly to Durango, CO or Farmington, NM. You'll want a

rental vehicle that can traverse difficult terrain (the GKM site is at 10,000' elevation, roughly). BUT Philip can help with those questions.

Again, thank you for your assistance! Gina

Hi Gina –

I can come to R8 for an assist.

A request should be sent to our management (which I see you did) for an IC-type person. I started that coordination with them (and they are copied here) and have found suitable backup personnel for a rotation of about 2 weeks. Afterwards, I believe that my commitments to the

papal NSSE here in the Region become significantly increased.

My earliest departure date/time out of Philadelphia would be about 5:30 on Monday the 17<sup>th</sup>.

Assist from the R8 EOC or others to get me to the right spot is greatly appreciated.

Thanks.
